

How you can check India Pesticides Limited IPO allotment or share allotment status

IMPORTANT NOTE:

- Please ensure the details that you provide are correct.
- The below mentioned portal will show the number of shares you subscribed to and the number of shares allotted to you only if/when the shares are allotted.

1. Visit the registrar's website through this link <https://ris.kfintech.com/ipostatus/ipos.aspx>
2. There will be 3 IPO Allotment Status links. Click on any one of them.
3. Select, "Show All IPOs".
4. Select IPO: India Pesticides Limited
5. Choose any one of the convenient options as you prefer: Application No: or DPID/Client ID or PAN
6. Select Application Type as applicable: ASBA or Non ASBA
7. Type in Application #
8. Enter Captcha
9. Click on Submit.
10. Status of your application will appear on the screen.
